Compilation of Race to Zero community events at COP28

RACE TO ZERO

COP28 PRIORITIES

RACE TO ZERO

Showcase real economy, global progress of Race to Zero Partners and members, keeping strong on net-zero and moving from pledges to plans.

Drive a high ambition Global Stocktake outcome that increases net-zero aligned advocacy to close the implementation gap on zero emissions through **policy incentives.**

Advance and strengthen key frontiers of net zero transitions, such as service providers, climate solutions and fair share equity and justice.

Build on experience of campaign, **support** the UNFCCC in strengthening the accountability of the ecosystem.
